MEMORIES 1952

Evelyn Wojtowicz, Editor-in-Chief
Bill Swartzell, Business Manager

Hobart High School
Hobart, Indiana

Every fall we begin our school year with the pleasant thought of summer fun still fresh in our memories — the friends we made, the gay parties we attended, those hot games of baseball and those wonderful days at the beach! Oh, what enjoyment we experienced from all these different activities in just three short months of summer! But our delights need not cease just because school has begun.

Our Journey

Have you ever thought of our high school life as a fragment of a journey? Well, it is! Although our school days constitute only a small episode of this journey, they broaden our scope and lift our eyes to new horizons. For many of us the first new horizon will be college, for others their first real job, or their first home all their own, but whatever it may be you can be sure that our journey will not end even then. For there are other more distant horizons to strive toward and attain.

As the editor-in-chief and business manager open that familiar east door through which you have passed so many thousands of times, they present to you, in the name of the Memories staff of 1952, this record of our school year. As you turn its pages they will help you recall this small segment of your journey.

The Scenes We See

Student photographers took nearly all the pictures for this book.

Dick Marconi and Tom Mair look on as Don Huminsky, under the focusing cloth, prepares to take a picture of a still-life subject.

Louis Mikolies and Dale Schavey hold and adjust the flood lights while Jerry Sherwood copies a photograph.

They Helped Record Our

A familiar scene around the building — Jim Potee and Don Huminsky with all their photography equipment going to catch a picture for the yearbook.

Jerry Sherwood gets a pleasant expression from his life subjects, Marilyn Thornton and Jack O'Neil as he adjusts the tracks for a sharp picture.

Along Our Journey

JoAnn Netzhammer, attendant; Arlene Thompson, queen and Marilyn Thornton, attendant (not shown) reigned over the homecoming game with Crown Point.

Keith Benson, H-Men representative, crowns her majesty, Arlene Thompson.

Memories That Linger

The choir featured Eldor De-Well, well-known soloist, at their Christmas concert.

Mr. Hilmer Jacobson directs the A Cappella Choir at their Christmas concert, which was received with high praise.

Time Out for Fun...

Larry Berg, Jim Calabro, Pauline Sandala, Jane Neff, and Bill Binder enjoy themselves in class while actually participating in a class activity. They are tape recording a panel discussion in Mr. Osborn's government class.

A few of the couples from the huge crowd attending the "Leap Year Dance" after the Lowell game are enjoying themselves. After asking the boys for dates, the girls had the double pleasure of asking the boys to dance, too.

Jack O'Neill, "Deadeye," Jim Calabro, "Lil," and Larry Berg, "Two Gun Pete," are shown here during one of their famous "Dead-eye" skits. They were among the highlights of "Yohan's Follies."

Todd Branson of WWCA, interviews Coach Schmidt, with Gene Watts also of WWCA and Jim Behrends tape-recording the pep session before the LaCrosse basketball game. The recording was broadcast the morning of the Hobart vs. Emerson basketball game in the sectional tournament.

Refreshment...

Larry Berg, Arlene Thompson, Jack O'Neill, Shirley Rampke, Pat Tarkelly, Marilyn Thornton, and Jim Calabro. The last Friday of every month we meet an assortment of odd characters in the halls — it's a senior hobo day.

Nancy Buckreus, Wayne Markward, and John Findling expertly carry their trays filled with eye-appealing food to a resting place. Now can you understand their anxious looks?

Mr. Buell Crum, Miss Joan Smith, Miss Dorothy Thompson, and Jim Calabro. On Valentine's Day the students of Hobart High School met a very entertaining English woman who gave humorous comparisons between English and American life.

Jack Teitge, John Uhles, Vivian De Mers, Pat Doolin, Jerry Govert, Shirley Sepke, and Don Lines. Every noon hour some students give up their lunch hour for the convenience of the students with "a sweet tooth."

Social Companionship

All Seniors! Dick Marconi, Bill Cope, Ray Upthegrove, Dick Ehrhardt, Larry Berg, Jim Davis, Tom Diener, Bill Binder, and Jim Calabro gathered in the senior high school locker room to catch up on the latest gossip.

All Juniors! Wait — one senior sneaked in! A favorite gathering place for the boys in the morning is around the trophy case. Can it be that they're admiring the trophies or is the atmosphere pleasanter?

Evelyn Wojtowicz, Wanda Beatty, Alice Muir, Olga Oslizlo, Gay Stafford, Joan Lovadinovich, Marie Muir, Joan Wronko, and Frances Bysiek make up one of the many groups whose favorite place for catching up on the news is one of the rails in front of school.

Amelia Trusky, Lenore Krause, Jackie Mills, Marlene Baier, Beverly Dutkovich, Hazel Trusky, Clara Vargas exchange latest "news bits" while busily finishing the remains of their lunches.

... Friendly Competition...

Dick Marconi and Nedra Ross on the purple ticket and Kay Keller and Jim Calabro on the gold ticket were the combatants in a hot campaign for mayor and clerk-treasurer last fall. Jim and Kay were victorious.

The freshmen win first prize! With their original homecoming display the freshmen out-did even the upper classmen in lawn displays this year. The five dollars will be put in the treasury for future use in class activities.

One of the highlights of the 1952 school year was the voting machine which Mr. Osborn demonstrates to Marilyn Goodwin. Juniors and seniors were permitted to use this machine to vote for mayor, clerk-treasurer and home room representatives.

Ray Marconi, Gary Soap Box Derby champion, smiles happily as he makes last minute preparations for the final inspection of his racer, which took second place at the National Final in Akron, Ohio.

Classes That Broaden Our Present

Marlene Baier, Nancy Stanley, and Elaine Kline ponder over their budgets in the third hour advanced typing class. "Why can't we erase on legal documents?"

Seventh grade science students, Judy Baillargeon, Mr. Mart, Barbara Chirila, Jon Ewigleben and Wayne Cardwell dissect a calf's head as part of a class activity.

Joanna Jendrzewski, Donna Leonard, and Allan Craig unmercifully dismantle "Oscar," biology class mascot. "Oscar" helps them understand better the anatomy and functions of the human body.

Rosa Reyes at the easel and Dorothy Sprusansky at the table enjoy themselves working with oil paints. Oil painting is one of the required projects of the advanced art students.

Horizons and Preview the Road Ahead

Carol Peterson, Gail Neitzel, Antoinette Pawlicki, and Jane Webber preparing a tasty dish that might some day win them a husband.

Sandra Scharbach, Jim Behrends, Keith Benson, and Nancy Buckreus absorbed in the fascinating process of distilling water.

Gerald Fitzgerald, Jim Whittaker, Bob Beckett, Tom Burke, Bill Brown, and Nancy Wagoner preparing to dramatize the radio play "The Snow Goose" in junior English class, complete with sound effects.

Mr. Packham explains the operation of the wood lathe to John Brush and Dick Leonard, two general shop boys.

Whom have you met at Hobart High during this school year? We've had the pleasure of having as companions on our journey two students, with such pleasant personalities, from foreign countries — Longin Grezczuk who came to Hobart from Poland by way of South Africa and England, and Bunny Wambolt from Canada. Not only have our fellow travelers come from abroad but also from nine other states and many neighboring schools.

The People We Meet...

As they buckled down to their books, students had a number of new faculty names to learn. Miss Barbara Bush was directing traffic in the cafeteria while Mr. Tom Bishop hunted for a corner to call his own in the busy band portable. Mr. Wayne Collins checked and re-arranged tools in the machine shop and meanwhile Mr. John Radovic was already running off office record blanks in the print shop. Upstairs Miss Wahneta Mullen was hanging Spanish posters and pictures in room 302, while Mr. Charles McMurtry had been settled in the vice-principal's glassed-in corner for several weeks.

Many times our most perplexing problems have been solved by some member of the faculty who was willing to spend some of his time listening to our difficulties and then offering us helpful advice. Yes, we've met many very wonderful people.

Our friendly mayor stops to visit at the study hall door with the four class presidents, even as all of us have visited with our friends in that familiar spot. May this help to remind us of the many friendly people at Hobart High.

Welcome on Our Journey

Mr. Buell Crum, principal, discusses the duties of vice-principal with Mr. Charles McMurtry, who came to Hobart this year from Kouts. As vice-principal Mr. McMurtry is in charge of all guidance and activities and in addition is a senior sponsor and teacher of a health and safety class.

Mildred Lenburg, bookkeeper; Grace Zula, financial secretary; Flo Pugh, secretary are in charge of the clerical duties in the superintendent's office.

Mr. Howard Yunker, junior high principal; Miss Dorothy Thompson, dean of girls; and Mr. Russell Deal, dean of boys, are always ready to help students with their problems.

As we go on our way many different people provide us with numerous services, all of which are invaluable to us — the public librarian who helps us select books for book reports and leisure reading — bus drivers who deserve some sort of medal for services above and beyond the call of duty for listening to the constant noise and chit-chat of giddy high school students — the office practice girls who assist faculty members and in the offices — the buildings and grounds superintendent, and all the custodians who sweep up after us.

MRS. THOMAS SHROLL, public librarian, has aided many students in selecting books for almost seven years.

CHARLES RIDDLE, superintendent of buildings and grounds, turns on the heat.

CARL COPE and ELMER HAMANN, two of the drivers who hauled us sleepy heads to school and endured our nonsense at night.

Ohhhh !! Those senior sweat shirts. Will we ever forget our long wait for them and the screams of disappointment when they finally arrived? French blue and silver! Ugh!

"Tread Not The Well-Worn"

This school year was a mad whirl of money making activities. We started by taking over the concessions at the last two home football games. This was a stepping stone to handling concessions at all the basketball games, and sponsoring several after-game dances.

Our junior play this year, "Ever Since Eve," added another \$145 to our treasury.

When the class rings came on November 30, there were a few gloomy juniors as 43 of the rings were delayed in the mail. At last came the moment when we could open the doors of the prom to our guests the seniors.

The seventh grade topped the eighth grade, selling \$1600 worth of subscriptions. Room 307 was high with \$488. Sue Ann Sempf was high salesman with \$19.

The seventh grade also has two cheerleaders, Sandra Jones and Connie Bemis.

As we go along our way, we not only take the main road of academics, but also find many pleasant side roads of social activities. The first football game with Froebel and the first basketball game with Wheeler found the teams in fine condition and raring to go, and the students — they were ready and more than willing to back the teams to victory. This year marked a splendid improvement in school spirit at Hobart. Whether the game was at home or away, we always had an overflow crowd. Yes, the students were completely behind the teams!

Things We Do...

While eagerly anticipating the coming sport events, there were also other detours along our journey — the band's New Year's Eve dance, the Debuteen's

semi-formal, the Boosters "Jeans and Socks" dance, the Student Council's "Winter Wonderland," the different class parties, the Junior-Senior Prom, and just meeting the gang up town and having fun.

So we had fun on all these side trips, but what about the main road? Class work didn't seem too inviting at first, but it really was fun, learning with the other students and sharing their experiences along with our own. The boy in health class who just couldn't trace a drop of blood through the body . . . that girl in biology who couldn't stand the sight or smell of a frog in formaldehyde . . . those two partners in Chemistry who, no matter how they tried, couldn't get the chlorine experiment, and when they did get it — oh, what a smell! . . . the students in Senior English who wondered why they were there . . . all added humor to our journey.

"Ever Since Eve" is the mirthful story of Susan Blake, a "career girl," and the troubles which beset two loyal musketeers, Johnny Clover and Spud Erwin, editor and business manager of the Preston High School paper, the "Penguin." Susan high-pressures herself in as assistant editor, and before the curtain closes on the second act has almost bankrupted the "Penguin," shaken the friendship of the musketeers, and given them the measles. When her innocent enthusiasm almost lands them in jail, Johnny's mother steps in and "saves the day."

RICHARD A. WORTHINGTON
Director

The band has been one of the most important parts of Hobart High School life for 27 years.

After a series of performances at home football games the highlight of the marching season was the winning of the sweepstakes trophy at the Marching Band Contest in Valparaiso. Then they made a spectacular showing with four other schools from Illinois, Michigan, and Indiana in the "Parade of Champions" held in Brickie Bowl.

The concert band opened its season with a Fall "Pop" Concert on November 16. Leonard Falcone from Michigan State University was the featured baritone soloist and conductor. In their Twenty-seventh Anniversary Concert on March 14, the band featured Thor Johnson, conductor of the Cincinnati Symphony.

This year brought a number of "firsts" for our band. They had their first assistant conductor, Thomas

They also went on their first trip to Florida. The money for this tour, which totaled near \$2,500, was raised by the band members themselves.

Our band was also featured in an article in American Magazine. Dr. Edwin Franko Goldman of New York City recommended it for an article on one of the most outstanding high school bands in the country.

The color film taken by the Audio-Visual Department of Indiana University last year, came out in December. Plans were begun by the same people to make more movies of our band in the spring. The band also gave their first public New Year's Eve party at Liberty school gymnasium.

GIRLS' TRIO — R. Bonner, M. Culbertson, L. Butler.

The old saying is that "children should be seen and not heard." The A Capella Choir is just the opposite. Every afternoon from 12 to 12:30 their voices can be plainly heard all over the school, but they can only be seen if one is near 102 or attends one of their concerts. The choir sang at the Thanksgiving, Christmas, and Easter convocations. At their Christmas concert on December 14 Louise Jacobson, Hobart High School freshman, was guest violinist and Elder Dewell, one of Mr. Jacobson's former students at Merrillville High School, was guest tenor. The choir sang Christmas songs and carols against a beautiful background designed and executed by the art classes.

1951 GRID RESULTS

Brickies of '51, under the experienced direction of Coach Russ Deal, completed the second most successful season in Hobart High School grid history, sweeping the Calumet conference in seven straight conquests. This is the first season the Brickies have taken top honors in the Calumet conference since its reorganization in 1949.

Their first encounter was a 13-0 shutout at the hands of the Froebel Blue Devils. The Deal-men then traveled to East Gary for a 21-13 win over the Eagles. Back in

Brickie bowl Carroll Kelly led the Brickies to a 14-0 victory over the Lowell Red Devils by scoring two touchdowns. In their next tilt they crushed the Vikings of Valparaiso 32-0.

As Arlene Thompson was crowned Homecoming Queen, our gridders presented her with a 34-6 win over Crown Point. On the following week Brickie stalwarts journeyed to Griffith to eke out a 14-13 victory with Don Huminsky kicking the two points-after-touchdown. Grif-

fifth went on to finish second in the conference. The Brickies went to Merrillville to come out on the long end of a 20-7 score. Don Huminsky suffered a broken leg in the last period of the game, and was lost to the team for the rest of the season.

Then the Deal-men played the Gary Edison Blazers on Tolleston Field where our boys edged out a 7-6 victory. Back home they mauled the Troopers of Gary Wirt with an overwhelming score of 45-7 in what proved to

be the last game of the season. Due to a heavy snow storm the game with Portage was cancelled.

At the close of the season, Bill Cope, senior halfback, and Bernard Drummond, senior center, were chosen for the first Calumet Conference team; Dick Marconi, senior quarterback, was chosen for the second team, with Don Huminsky, senior; Phil Yates, Joe Matan, Don Howell, and Carroll Kelly, juniors; Don Anderson and Eugene Clemens, sophomores, receiving honorable mention. Bill Cope also received honorable mention for the All-State team.

1951 INDIVIDUAL CROSS-COUNTRY RESULTS

Sophomore Frank Broda won the honorary cross-country captain star by leading the Brickie harriers with a total of 50 points as he placed first for Brickie runners in every meet on the schedule. Broda is the second Hobart runner to remain undefeated. Bill Greene was the first to turn the task in 1948. Other Brickies scored as follows: Fred Roach (senior) 35; Wayne Neill (sophomore) 29; John Mosley (freshman) $31\frac{1}{2}$; Charles Valovich (sophomore) $21\frac{1}{2}$ and Don Van Fleet (freshman) $21\frac{1}{2}$.

Minus the services of Edward Boone, star freshman from the 1950 squad who had moved to Arkansas and returned too late to participate in the meets; sophomore Johnny Allen who withdrew from school, the Brickies fell short of their ambition of making the trip to the state meet for their fifth straight year when they missed the first three places needed to qualify in the sectional meet. Hobart finished in fourth place. However, the Brickie hill and dalers hope to be in the thick of the state championship scramble in 1952 with a fine squad in prospect.

LEADING HARRIER

Scoring 110 points as a freshman during the 1951 track season to be named honorary co-captain along with senior Bruce Johnston is a distinction no other Hobart freshman track man has ever attained.

Competing in the mile run, broad jump and mile relay, Broda was a consistent winner for the Brickies.

This season in cross-country, Broda, again honorary captain, led Brickie harriers with 45 points to a successful season. He was the number one runner for Hobart in every meet.

Broda should be one of Coach Kurth's brightest track stars in the seasons that follow.

Hobart High School's basketball team was not too successful during the overall season, but at times showed that in the next few years Coach Alvin Schmidt's rebuilding program will soon be paying off. During the regular season they compiled 8 wins and 11 losses. In the sectional the hoopsters almost upset favored Gary Emerson, but fell short 46-42.

After the season was completed, seniors Ronald Kaiser and Ray Upthegrove were elected co-captains. Kaiser was elected to the All-Calumet Conference team; Jim Johnston, sophomore guard, received honorable mention.

1951 Review

1952 Preview

Last year the Hobart High thinclads, led by Co-captains Bruce Johnston and Frank Broda, had the usual fine success which accompanies a Hobart track season.

The highlight of the season came when the Brickies again copped the Calumet Conference track title in both the varsity and reserve meets. The field was composed of ten teams.

The thinlies also won the Gary Edison relays for the fourth straight year, beating a field of eight teams. In the sectionals held at Horace Mann High School in Gary, Hobart placed fourth behind Gary Roosevelt, Gary Froebel, and Gary Emerson. The only individual winner from Hobart was Bruce Johnston in the pole vault. Frank Broda

and Bill Cope each placed second in the mile and the quarter mile. Johnston took second place at the regionals held at Lafayette, but failed to place in the state finals at Indianapolis.

Seniors who graduated from last year's squad are Bruce Johnston, Roy Dixon, Jim Ewigleben, John Helfrich, Bill Matsey, John Price and Bud Fahey.

Expected to form the nucleus of this year's squad are Bill Cope, Frank Broda, Dick Marconi, Don Anderson, Edward Boone, Keith Benson, Eugene Clemens, Bernard Drummond, Joe Hermann, Don Jelinek, Wayne Neill, Fred Roach and Elmer Westen.
